

# ESCAPE

Our rooms and suites are spread across 11 acres of fragrant citrus trees and flower gardens, many with patios or balconies offering stunning garden or mountain views. Each room and suite ties in the natural beauty of the desert, with woven textures, organic tones and Tommy Bahama's signature prints.

## Renew

Feel ignited inside and out with an invigorating treatment at Spa Rosa. Using methods and rituals inspired by the healing powers of the surrounding desert and beautiful views of the Santa Rosa mountains, you will be transported to a state of bliss.
